Subject: Comm v. [REDACTED]

I'm not sure which one of you will be able to help me, but I'm wondering who the ADA is that is handling the Almele case scheduled for trial next Monday (June 18th)? I ask as I am curious what the status is of the case (what are the odds that it will actually go to trial that day?). I'll be at my parents in Portsmouth, RI on Sunday and am trying to figure out if it would be best for me to stay there overnight and head straight to New Bedford Monday morning or if I should travel back to western Mass Sunday night and wait to see if I get a call saying the ADA needs me. Thanks in advance for your help.
